## MANIFESTATION ACTIVATING THE MAGIC

In this one-day workshop you will learn the process of **Magical** cycles and discover why and how energy affects you and your surroundings

Explore the secret realms of the mind and discover how your own thoughts create your reality.

This workshop is held at special times of the year, so that learned techniques can be applied by students at their most effective period.

### *Featuring*

**Two Deep Trance Group Sessions with**  
**Donna Kinniburgh**  
Channeling her Spiritual Source of Wisdom  
**REFLECTION**

*N.B. - Each participant may ask questions on their own manifestation needs*

Join us for this magical fun-filled day and learn how to bring into your reality your own hearts desires.

**Course Leader : Steve Kinniburgh speaks on:**

- **Magical timing-** Reveals the importance of using *creative energy* at the most effective time or hours the day and why.
- **THE FIVE FORCES OF MANIFESTATION**
- The concept of **Space**, **Time** and **Matter** explored
- **Uncovers the energy blocks that limits creativity**
- **Linear thought vs. Circular thought**
- **Power of symbols, numbers and letters in magic**
